

How to hire a brand new student worker:

There are 4 approval categories to choose from, based on the type of hiring:

1. (03 or 04) Student New Employee Hourly– use this when hiring a brand new student worker.
2. (03 or 04) Student Reopen Hourly Job – use this when rehiring your student worker in the same position they had previously.
3. (03 or 04) Student Rehire in a New Position – use this when hiring a student worker in a 2nd job who already has a job in another department, OR who is changing from an 03 student worker position to an 04 student worker position (or vice versa).
4. Student Worker Stipend – use this when paying a student a flat rate across payrolls rather than an hourly rate (ie: used for one-time payments; paying a Resident Assistant their stipend, etc...)

These are the step-by-step instructions for completing the EPAF to hire a **NEW STUDENT WORKER**:

Log into to Banner Self Service and click on Electronic Personnel Action Forms.

The screenshot displays the Banner Self Service Employee Dashboard for Sara M. Leporati. The dashboard includes a profile picture, name, and a 'My Profile' button. It also shows leave balances as of 03/03/2022: Annual Leave in hours (662.14) and Military Leave in hours (0.00). The main content area is divided into two columns. The left column contains sections for Pay Information, Earnings, Benefits, Taxes, Job Summary, and Employee Summary. The right column contains a 'My Activities' section with buttons for 'Enter Time' and 'Request Time Off', and a list of activities including 'Approve Time', 'Approve Leave Report', 'Approve Leave Request', 'Electronic Personnel Action Forms (EPAF)', 'Effort Certification', 'Labor Redistribution', 'Campus Directory', and 'Employee Menu'. A blue arrow points to the 'Electronic Personnel Action Forms (EPAF)' option.

Enter or Generate New ID

Select the person.

The **VERY FIRST THING** you want to do is **check the person's job history**. This will help you confirm which EPAF you will need to use to hire them. Since, in this first step, we are not actually starting the EPAF yet, we just want to *advance to the next screen* to check their job history, select any EPAF (it doesn't matter which one) from the dropdown box, just to have *something* in that field, and click "GO."

On the next page, click on "All Jobs" to view the person's employment history:

If the person has no job history of being a **student worker**, you will use the (03 or 04) Student New Employee Hourly EPAF to hire them. If their job history shows they have been in a student worker position before, you will need to either “Reopen” their old position or “Rehire” them in a new position. *Please refer to the “Student/GA EPAF Guidelines” to help you determine the appropriate course of action.*

Once you have determined that this person has never been a student worker before and you need to hire them as a brand new student employee, return to the EPAF menu by clicking the “Personnel Actions” tab at the top of the page and then click on the menu button “New EPAF.”

This will bring you back to the original screen for starting an EPAF.

Follow these next steps carefully:

1. Enter the student’s CWID #.
2. **Update the query date to be the student’s 1st day of work.** This is important! Query dates must be entered in the MM/DD/YYYY format.
3. Select **“03 Student New Employee Hourly”** as the approval category if your student worker will be paid from state funds, or select **“04 Student New Employee Hourly”** if your student is a Federal Work Study student worker, and click “Go.”

The image shows a screenshot of the "New EPAF Person Selection" form. At the top, there is a search bar with a help icon and the text: "Check the box to limit to search an Employee. Enter the Last Name and/or First Name, or enter an ID, or enter the SSN/SIN/TIN. Select Go. A percent sign may be used as a wildcard." Below this are input fields for "First Name" (containing "brian"), "Last Name" (containing "scott"), "ID", and "SSN/SIN/TIN". There is a "Search" button and a checkbox labeled "Is an employee". Below the search bar is the text "Enter or Generate New ID". Another help icon and text are present: "* indicates a required field. Enter an ID, select the link to search for an ID, or generate an ID. Enter the Query Date and select the Approval Category. Select Go." The form contains several fields: "ID" (with a red asterisk and a blacked-out value), "Name" (containing "Brian James Scott"), "Generate new ID" (a link), "Query Date" (with a red asterisk, containing "05/31/2022", and a calendar icon), "Approval Category" (with a red asterisk, containing "Student New Employee Hourly, SNEHLY", and a dropdown arrow), and a "Go" button. Three blue arrows point to the "Query Date", "Approval Category", and "Go" fields.

Using ALL CAPS, enter the position number. All 03 Student Workers will have Position Number **ST3001**, and all 04 Federal Student Workers will have Position Number **ST4001**. Since this is their first job, the Suffix will be **00** (double zeroes). Enter the Position Number and Suffix here:

On the next screen, you will create the student worker's employee record. The fields with red asterisks (*) are required. You should have used the student's hire date as the query date, so that date will auto-populate in. *(Please note that the screenshots provided in this guide are **EXAMPLES ONLY**. The data you enter in EPAF will be based on your own hiring department and the employee's situation.)*

Go ahead and enter the student's Home Org, the Campus Code (Main Campus), the Location Code, and the College Code.

The student's *Employee Class Code* will be "17" for 03 Student Workers or "18" for 04 Student Workers.

The last 2 fields are non-enterable. Skip those.

Scroll down the page to continue entering information.

The student's Job Effective Date, Personnel Date, and Job Begin Date will all auto-populate from the **Query Date** you entered. All 3 should be the **student's hire date**. *If you need to revise the hire date to a different date than what you entered as the Query Date, you will need to start over from the beginning and revise the Query Date; otherwise, you will likely get errors and not be able to submit your EPAF.* For Contract Type, select "Primary" since this is the new student worker's primary job. Enter the timesheet org, and enter the student's hourly pay rate. *NOTE: If the pay rate is above minimum wage, you must send a **Pay Increase Justification Form** to HR.* The last 3 fields are non-enterable. You can skip those.

In the Labor Distribution section:

04's – If you are hiring an 04 Student Worker, the federal funding will already be populated and should *not* be changed.

03's – If you are hiring an 03 Student Worker, enter the Index code from which you will pay your student and then click “Default from Index.” The fund, org # and program will then automatically populate. You will immediately receive a red message in the upper right corner telling you that an Account number is required. Enter **601230**, which is the account number used for paying 03 Student Workers.

If the student worker is getting paid from only one funding source, the percentage of the funding will be 100%.

If the student will be paid from 2 or more funds, click “Add Row” to add another source of funding, and then you can enter the correct percentage for each fund.

This is the **Termination record**.

Enter the student's **last day of work** in the "Jobs Effective Date" field. (You may need to click on the calendar icon.)

Use the same date as the "Personnel Date."

Next fill out the routing queue.

At minimum, the EPAF routing queue must contain the following levels: Director/Dean, HR Staffing Specialist, Payroll, and HR Apply. Additionally, the 04 Student EPAFs will require Career Development to approve.

DO NOT DELETE any of these levels from the routing queue. DO NOT CHANGE THE REQUIRED ACTION of any of these levels in the routing queue. All parties in the routing queue are preset to APPROVE and the HR Apply level is preset to APPLY the EPAF into the payroll. These *Required Actions* should never be changed.

In the **User Name** dropdown box next to each Approval Level, select the appropriate people to approve the EPAF:

For the **Director/Dean** level, select your department's budget head who will approve the hiring and the funding.

For the **HR Staffing Specialist** level, select the appropriate HR Staffing Specialist. Currently, **Linda Ngo** is the Staffing Specialist for all student workers.

For the **Payroll** level, select the appropriate Payroll Analyst according to the student's last name: Currently, Jackie Sias is the payroll analyst for last names A-F, Felicia Gibson has G-M. For last names beginning with N-Z, please select Felicia Gibson for letters N, O, and T-Z, and select Jackie Sias for letters P-S.

For **HR Apply**, select Leporati.

If your EPAF needs additional approvals, such as approval from Grants & Contracts or from a Project PI (budget manager of a grant), you can simply click "Add Row" and select the appropriate approval levels you need to add to the EPAF's routing queue, select the appropriate person to approve at that level, and select "Approve" as their Required Action.

Each approver in the routing queue should carefully review the PAF for accuracy before approving. If something is not correct on the PAF, the approver should add a comment explaining what needs to be addressed and click **“Return for Correction”** to send the PAF back to the originator to correct and resubmit for approval.

ADD A COMMENT to indicate who the student worker’s TIME SHEET APPROVER will be. Since student workers are paid hourly, a time sheet is required. Then click to SAVE.

If there were no errors that Banner would recognize (ie: missing information in required fields, dates entered in the wrong format, etc...), then you should receive a message in the top right corner of your screen that your changes were saved successfully:

If you receive **WARNING** messages, that is **OKAY!** All EPAFs will have Warning messages. However, if you receive an **ERROR** message, you must resolve it before you will be able to Submit the EPAF successfully.

A NOTE ABOUT EPAF DEADLINES:

See the most up-to-date payroll calendar posted on the Payroll website for EPAF DEADLINES. The EPAF must be approved by all approvers in the routing queue and be Pending "HR APPLY" by the EPAF Deadline to be applied to that payroll.
