## Industry Advisory Council's 2021 Award Winners

## CONSTRUCTION MANAGEMENT SCHOLARSHIPS FALL 2020-SPRING 2021

At this spring's IAC Awards Luncheon, held on April 23, the following awards were presented by IAC Chairman Andrew Barber and SoCM Director Ed Brayton: (clockwise from top left) *Thomas Rabb*, Distinguished Alumnus of the Year; *Jane Brown*, Distinguished Alumnus of the Year; *Ken Holland*, Constructor of the Year; and *Tom DeNardin*, SoCM Special Recognition.

### Top SoCM Strategic Plan Funding Opportunity:

The Industry Advisory Council (IAC) is soliciting funds to construct a permanent, pre-engineered building approximately 65'x120'x20' high immediately west of the classrooms. This will contain the construction practices lab, the materials and soils lab, and the mechanical/electrical lab for hands-on instruction. Expected to be completed by December 2021 at approximately \$450,000.

If you are interested in any of the various opportunities to contribute and be recognized for your involvement, go to the ULM School of Construction Management website ([ulm.edu/cbss/construction/](http://ulm.edu/cbss/construction/)) and click on "Sponsorships & Naming Opportunities" to review the options available.

*We have had a difficult time finding the recipients' names and years for the Thurman Potts, Fred Culpepper, and Ranie Terrill Endowed Scholarships. If you received one of these scholarships and want to ensure that your name is listed on the display wall under that scholarship, please contact us at 318-342-1860 or email Dr. Brayton at [brayton@ulm.edu](mailto:brayton@ulm.edu).*

*If you would like to reconnect with the SoCM and the IAC, please email [brayton@ulm.edu](mailto:brayton@ulm.edu).*
