Spring Commencement Exercises

Two Thousand and Twenty

There are few earthly things more beautiful
than a university.
It is a place where those who hate ignorance
may strive to know,
Where those who perceive truth may strive to
make others see;
Where seekers and learners alike banded
together in the search of knowledge,
Will honor thought in all its finer ways,
Will welcome thinkers in distress or in exile,
Will uphold ever the dignity of thought and
learning
And will exact standards in these things.

— John Masefield

EXPLANATION OF DEGREES AND DIPLOMAS AWARDED AND ACADEMIC COLORS

The University of Louisiana at Monroe awards the associate, bachelor's, master's, specialist, and doctoral degrees. Diplomas indicate only the degree designations as listed in this program except in the case of professional degrees as specified by the Louisiana Board of Regents. An asterisk (*), unless otherwise noted, indicates the student is receiving multiple degrees.

The colors represented in the academic regalia worn by the faculty and candidates are of special interest to those attending the commencement exercises. The standard followed is that of the Intercollegiate Code of Academic Costume, as revised by the American Council on Education in 1986. The interior colors of the hood, as seen from the back, symbolize the colors of the wearer's alma mater. The colors shown in the trim of the academic apparel, including the trimmings of doctors' gowns, edgings of hoods, and tassels of the caps, signify the subject area of the wearer, as shown below:

PRESIDENTIAL CHAIN OF OFFICE

The specially-designed Presidential Chain of Office is an intricately-detailed sculptural interpretation of the University seal which is surrounded by a decorative bezel. The seal is attached to an elegant chain with engraved banners which bear the names of former chief executive officers and presidents of the campus. Engraved metal plates displaying the letters ULM are found above the banners on each side of the chain. This chain represents the history and tradition of the University and establishes an enduring legacy for the institution.

UNIVERSITY MACE

The University Mace is a time-honored symbol that represents the light that knowledge brings to humankind. Across the centuries, it has been recognized by scholars throughout the world as an emblem of education and enlightenment. The mace stands to the left of the podium and is present at all ceremonial occasions which celebrate academic excellence at the University. It not only represents the academic mission but also serves as a repository of the history of the institution, listing every name that the University has been officially designated during its evolution.

ACKNOWLEDGEMENTS

Appreciation is expressed to the ULM Commencement Committee members, administrative staff, and faculty who either coordinate the activities of or participate in the graduation ceremony.

Although every effort is made to ensure that this program is accurate with respect to degrees awarded and honors conferred, ULM's printing schedule makes complete accuracy impossible. Therefore, neither a name listed herein nor participation in the commencement ceremony guarantees the awarding of a degree or the conferring of honors. The Registrar's Office retains each student's permanent academic record, which indicates these official designations.
