

**University of Louisiana at Monroe**

**Kitty Degree School of Nursing**

**Advanced Placement Policy**

Students, currently or previously enrolled in a nationally accredited BSN program, requesting advanced placement in the professional program must:

1. Have a letter of good standing from the dean/director of the program where they were previously enrolled.
2. Have a minimum, corrected cumulative GPA of 2.8 in all required pre-nursing courses, excluding grades earned in developmental education courses.
3. Fulfill the requirements of the pre-nursing curriculum.
  - a. No grade less than “C” will be accepted in any pre-nursing course.
  - b. Required prerequisite courses may be repeated one (1) time only. Failure (receiving a “D” or “F”) of any required prerequisite course twice makes an applicant ineligible to apply for admission into the professional program. (Courses more than 5 years old with a “D” or “F” will not be included.)
  - c. Nursing 2000, Nursing 2080, and Biology 2028 may not be transferred in and must be taken at ULM.
4. Successfully (78 or better) complete a fundamentals final exam.
5. Successfully (78 or better) complete a nursing assessment final exam.
6. Successfully (78 or better) complete a skills check off.

Once all of these requirements have been met, the student will be allowed to enroll in **semester 2 only**, provided there is space available.
